## **Industrial Visit:**

- Zephyr Technologies

📍 Manglore 📅 03/05/2023

During my mentorship, I gained insights into Zephyr Technologies & Solutions Pvt. Ltd., an esteemed software company based in Mangalore. I learned about the comprehensive range of services they offer, their expertise in current technological trends, and their establishment history.

## **Projects/Mini Projects:**

- Rentarc:

📍 Palai 📅 2023

Rental Website

I contributed to the development of RentArc, a web-based platform designed to facilitate peer-to-peer renting, enabling users to easily lend and borrow items for a specified period.

This project aimed to bridge the gap between people who need occasional access to various items and those who have these items available for lending.
